

The value of your vouchers will be deducted from the cash value of your shopping cart. Once the vouchers are deducted anything left to pay can be topped up using any of the other payment methods on the website. Once an order is submitted we will send you an email confirmation of your order. When we receive your vouchers we will email you again with a confirmation. Goods will be dispatched when full payment has been received and your vouchers have been verified the provider.

Please note that if the total value of your vouchers is more than the total value of your shopping cart we will not be able to refund you for the difference. For example: if your order value is £8 and £10 worth of vouchers are submitted, we cannot refund the £2 difference.

In order to offer the best service possible, we recommend that you send the voucher using a recorded mail as we cannot be held responsible for any loss that may occur before we receive your vouchers.

Vouchers will not be accepted if they are transacted after their expiry date.
